

# The Patrick J. Larney Memorial Scholarship Ride

*Sponsored by :  
The Friends of Raymond Football, Inc.*

The Friends of Raymond Football, Inc. was formed by Patrick "Pat" J. Larney in 2006 to set the wheels in motion to bring Football to Raymond, NH. By creating a warrant article and educating himself Mr. Larney, now with a group of his peers, were able to inform the citizens of Raymond of the benefits of a football program. Two years later football was passed and in August 2008 the first Raymond Football Team hit the field.

During this time Mr. Larney was also dealing with a personal battle of his own, and sadly on September 17, 2008 he lost his courageous battle with bladder cancer. Two weeks after the first ever Raymond High School Football team hit the field, Mr. Larney passed away knowing his dream was achieved. We will always be grateful to Mr. Larney for his insight, perseverance and determination to the football program now established at the Raymond High School.

Pat believed education and athletics are important building blocks in our youths future. In recognition of Pat's efforts, and to carry on his dream, The Friends of Raymond Football, Inc. is proud to establish and sponsor a scholarship fund in his name. Therefore allowing those who participate in the football program an advantage towards higher education.

All proceeds to this ride will benefit the **Patrick J. Larney Memorial Scholarship Fund.**
